

DIRECTIONS TO HARDYS BAY

Hardys Bay Yacht Charters operate out of Hardys Bay on the Central Coast of New South Wales, Australia only one and half hours drive north of Sydney.

1. From Sydney drive over the Harbour Bridge along the Pacific Highway. After the suburb of Wahroonga turn right onto the F3 Freeway.
2. Take the Gosford/Woy Woy turn off.
3. You will pass through a few sets of traffic lights after exiting the freeway at one of these turn right into Woy Woy Rd (just after the shell service station). Follow this road for approximately 10 kilometers (watch the speed camera) down a windy hill and over a rail-road crossing.
4. At the round-about continue straight through until you reach traffic lights with 'Home Hardware' on the opposite side of the road. Turn right.
5. After passing the Caltex service station on the **left** you will come to another round about, turn left. Follow this road over the rip bridge. At the next round about go straight through and follow this road past the Oyster Shed on the left and Empire Bay School on the right. Approximately 500m past the school there is a new **Liberty Service station** and the turn off to Wagstaffe and Killcare. Turn right at this turn into Wards Hill Rd to go up a fairly steep hill. Continue over the top of the hill until you reach a T intersection and turn right into the Scenic Rd.
6. Once on the Scenic Rd you will start to see the bay to the right and beach to the left. Follow the Scenic Rd down and around to the right heading towards the bay into Killcare Rd. At the bottom of this hill are two shops and a public wharf. This is the public wharf from which we depart.

Please call the mobile 04176 72960 should you have any problems trying to find 'the bay'.
